

Bridlington
Youth Partnership
**Summer
Activities
Programme**
2026/27

The Bridlington Youth Partnership is a network of organisations working across the area to support youth provision in a variety of ways. This includes delivering projects and activities that help young people access more opportunities to engage and stay active.

This summer brochure has been developed by the partnership to highlight a range of activities taking place over the holidays, making it easier for parents and young people to understand what is available and create more opportunities for involvement.

The Holiday Activities and Food (HAF) programme for summer has been announced and includes over 460 activities from pony trekking to nerf challenges, watersports and graffiti workshops.

Parents and carers can express their interest in the holiday activities now on the new booking system by visiting eequ.org/eastridinghaf

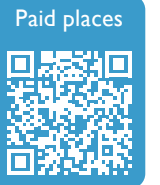

For any sessions that require bookings, please scan the QR code related to the session provider or use their contact details provided to get in touch with the relevant organisations.

Text ChatHealth -
it's easy, just text
hello! 07507332891

ChatHealth is a secure and confidential text messaging service for young people aged 11 - 19 in the East Riding.

Our team can help with all sorts of issues such as bullying, being active, healthy relationships, sexual health, alcohol, drugs and much more.

Texts are usually replied to within one working day and cost the same as a standard text or will come out of the your contract message allowance.

ChatHealth is available Monday to Friday 9am - 4.30pm (excluding bank holidays). Out of hours, anyone who texts the service will receive an automated message with advice on where to get help if their question is urgent.
