

Molescroft Millennium Wildlife Haven

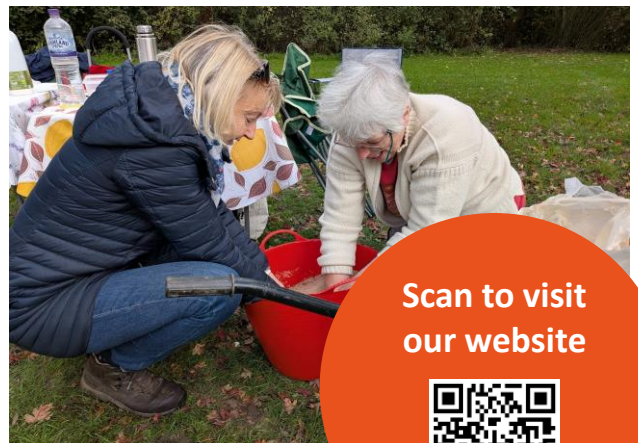

Volunteer Action Morning, Thurs 26 Feb
10am onwards

We would love you to join us on Thursday 26 Feb to plant trees, make dead hedges and help make our copse of trees come alive again and be full of nature. We don't know how many volunteers will come, or how long it will take, but some may wish to bring a packed lunch, just in case. If possible, please bring strong garden gloves.

Thank you to Molescroft Parish Council,
Carbon Footprint Ltd, Yorkshire Wildlife
Trust and ERYC
